SAFE, FUN, QUALITY RIDING INSTRUCTION

GOOROMON PARK HORSE RIDING CENTRE

Beginner Lessons

At Gooromon Park we specialize in teaching the Beginner aged from 6 – 60 years. We believe that riding skills are best taught initially in a one-on-one situation to allow the instructor to address the individual's needs and concerns; the students gain confidence and learn at their own pace, making learning a new skill a fun experience.

Once the instructor feels the student is confident with the basics, they are then ready to continue development of their skills in a small group of up to 6 like aged and like skilled students.

Students then progress through Gooromon Park's graded group syllabus learning many new riding skills: Dressage, Jumping, Games, Eventing and Trail riding.

Adult Beginners follow a similar course, especially designed to meet the needs of adults.
